

32" X 18" PLASTIC UTILITY TUB CARTS EC11-B | EC11-G | EC11-BU

Luxor's bestselling EC-series utility carts are constructed to carry hefty loads while lasting for years to come. Available with two 2.5" deep tub shelves, these durable multipurpose carts are made of high-density polyethylene (HDPE) which is known for its incredible strength to density ratio while being resistant to stains, scratches, and dents.

Perfect for industrial or everyday demands, EC carts easily glide across indoor and outdoor environments using the ergonomic push handle and full-swivel casters; simply engage the two locking brakes when you need to keep the cart stationary.

This Made in USA cart is designed to carry heavy loads up to 400 lbs. (200 lbs. per shelf, evenly distributed) and 500 lbs. (250 lbs. per shelf evenly distributed with 5" casters) and is the right choice for warehouses, shops, garages, cafes, offices and schools.
