### EC21-NDUST-B

## 32" X 18" HEAVY-DUTY INDUSTRIAL CART – ONE FLAT SHELF, ONE TUB SHELF WITH LADDER HOLDER, STORAGE HOOKS, AND SPOOL HOLDER

Tackle virtually any project with this versatile, feature-packed, and sturdy industrial cart from Luxor. Based on our best-selling EC21HD-B cart, this commercial-grade service cart includes a ladder holder, repositionable side brackets for lengthy items, and a spool holder for easy storage and access to wire, cable, and other rolls.

Constructed from high-density polyethylene (HDPE) with steel-reinforced shelves and extra-wide PVC legs that add strength and enhance stability, this heavy-duty cart can hold and transfer loads up to 500 lbs. Easily glide the tub cart across indoor and outdoor environments using the ergonomic push handle and 5" full-swivel HD casters; simply engage the two locking breaks when you need to keep the cart stationary. This multi-purpose utility cart is ideal for a wide variety of commercial and industrial tasks.
