

HIGH CAPACITY TUB CARTS

TC11-B | TC11-G

LARGE TUB CART - TWO SHELVES

This tough utility cart features two spacious tub shelves that can hold a wide variety of items. The 2.75"-deep tub walls keep contents contained and are made from a thermoplastic resin material that won't stain, scratch, dent or rust and can hold up to 200 lbs. per shelf, evenly distributed. A push handle that's molded into top shelf and smooth rolling, heavy-duty 4" casters make this cart easy to maneuver across shop floors, down tile halls, over cement.

Dimensions:

- Overall: 32"W x 24"D x 37.5"H
- Clearance between shelves: 24.75"

Features:

- Multipurpose utility cart
- Shelves and legs are constructed of an injection-molded thermoplastic resin that will not stain, scratch, dent or rust
